

Charitable Remainder Unitrust

A charitable remainder unitrust (CRT) is a separately invested and managed charitable trust that pays a percentage of its principal, re-valued annually, to you and/or other income beneficiaries you name for life or a term of years (up to a maximum of 20). You receive a charitable income tax deduction for a portion of the value of the assets you place in the trust. After the trust terminates, the balance is transferred to Pomona Valley Hospital Medical Center Foundation to be used as you designate. A unitrust provides the most flexibility of the life income gift options.
